6 Competition Format

Each of the four individual diving events will consist of preliminaries and finals. Diving order in the preliminaries will be determined by computerised random selection. The 12 divers with the highest preliminaries scores will compete in the finals. The diving order in the finals will be the reverse order of the preliminaries ranking.

The number of dives and restrictions on degree of difficulty (DD) are as follows:

Events	Youth Men	Youth Women
3m Springboard Preliminaries	10 Dives: 5 with 9.5 DD limit from 5 groups + 5 without DD limit from 5 groups	9 Dives: 5 with 9.5 DD limit from 5 groups + 4 without DD limit from 4 groups
10m Platform Preliminaries	9 Dives: 4 with 7.6 DD limit from 4 groups + 5 without DD limit from 5 groups (Must cover 6 groups overall)	8 Dives: 4 with 7.6 DD limit from 4 groups + 4 without DD limit from 4 groups (Must cover 5 groups overall)
Finals	5 dives without DD limit from 5 groups	4 dives without DD limit from 4 groups

The final score of the preliminaries is the sum of all the dives performed in the phase. The scores for the preliminaries dives with DD limit are carried forward to the finals. The final score of the finals is the sum of the carried points and all of the dives performed in the finals.

The diving competitions at the Singapore 2010 Youth Olympic Games will be held in accordance with the rules of the Federation Internationale de Natation (FINA) Handbook 2009-2013 and the Olympic Charter which is in force at the time of the competition.

Pursuant to the Olympic Charter, FINA assumes the responsibility for the technical control and direction of its sport at the Youth Olympic Games.

The Technical Officials for the competitions will be the FINA Bureau (Jury of Appeal), the FINA Technical Diving Committee and judges from FINA affiliated federations. A commission shall be appointed consisting of the Diving Technical Delegate and the Chairman and Honorary Secretary of the Technical Diving Committee.

7.1 TIE-BREAK RULES

All divers who tie for an advancing position will advance to the next phase.

7.2 PENALTIES / DISQUALIFICATION RULES

The penalties and disqualification procedures are sanctioned by the FINA rules and IOC practice.

7.3 PROTESTS / APPEALS

Protests are rarely filed against judgments of fact. The Jury of Appeal is the FINA Bureau members present.

7.4 JUDGING

In individual events for each competition, seven judges shall be assigned. After each dive, the judges award marks for each dive from zero to ten points in half point increments. The two highest and two lowest judges scores are not considered in the calculation of a dive score (Rule D7.5 and D7.7). The remaining three judges' scores are added and multiplied by a degree of difficulty (DD).

8 Equipment & Clothing

Equipment used or clothing worn by athletes and other participants at the Youth Olympic Games Aquatics competition must comply with the FINA Constitution and Technical Rules and with the Bye-Law to Rule 51 of the Olympic Charter.

9 Doping Control

The Doping Control Programme will be implemented in accordance with the IOC Anti-Doping Rules, the World Anti-Doping Code and its relevant International Standards.

Doping Control stations will be set up at competition venues and the Polyclinic within the Youth Olympic Village, where in-competition testing will be conducted. The Test Distribution Plan and criteria for athlete selection for each sport will comply with the Doping Control protocol established by the IOC, IFs and SYOGOC. Doping Control procedures will be implemented according to the WADA's International Standards for Testing.

12.2 TRAINING POLICIES *(updates will be made available on the IOC-NOC Extranet)*

Training facilities will be provided for all athletes from the opening of the Youth Olympic Village (YOV) (10 August 2010) to the end of Singapore 2010 (26 August 2010).

Games-Time Training consists of three phases – Pre-Competition, During Competition and Post-Competition.

12.2.1 Pre-Competition Training and Training during Competition

Training sessions fall into three main categories – Open Training, Allocated Training and Training that requires booking. The type of training for each sport is determined in consultation with the IF of the respective sport.

a. Open Training

Training Sessions for Open Training are not NOC-specific – they are open to all participants to conduct their training. The NOCs will neither be allocated nor are they required to book the training sessions. The training schedule for sports with Open Training will be provided to the NOCs in January 2010.

b. Allocated Training

Majority of the training sessions fall into this category and will be scheduled by the Competition Management of SYOGOC. The schedule of the training sessions will be distributed to the participating NOCs upon the finalisation of entries.

c. Training that requires Booking

NOCs are required to book for their training sessions. The booking of these training sessions will be conducted at the Sport Information Desk (SID) located at the YOYV on a first-come-first-served basis.

The SID will be operational upon the opening of the YOYV on 10 August 2010. Other than managing the training sessions, the SID will also provide pertinent information relating to sport training schedules.

They will be held at the respective competition venues following the announcement of the final results. Prior to the commencement of the ceremony, medallists will be ushered to the VYC Holding Area for preparation. They will be briefed by the VYC Team on the ceremony protocol and subsequently escorted to the podium for the medals presentation. Once the ceremony is over, the medallists will be escorted out of the VYC podium area.

Medallists must wear their NOC official sport uniform. They will take their places on the podium and face the Guest Stand upon announcement of their names. The Gold Medallist(s) will stand on a centred, higher platform. The Silver and Bronze Medallists will stand on equal height, to the right and left of the Gold Medallist(s) respectively. Flags of the medallists' delegations will be raised while the abridged version of the Gold-medallist(s)' NOC anthem is being played. During the playing of the NOC anthem and the raising of the flags, medallists shall accord due respect and face the flags when they are raised.

For NOC Team events, the IOC flag will be raised in tandem with the abridged version of the IOC anthem.
